### Catholic Education

Catholic Education entails a training for an education that lasts a lifetime. Children attending Catholic schools are given the opportunity not just to learn something new in their lives. Children and adults learn basic human and Christian values. Students in Catholic Schools are ready to learn good things for life.

Do you remember the Catholic schools you attended? Maybe you do, maybe you don't. In any case, you probably remember what 'good' things you have learned for life. Many of us who attended Catholic School have 'clear' memories not only of our school and friends but most of all of our faith experience for a lifetime. Today, we can proudly say that our mothers or fathers as well our grandparents went to a Catholic School. Their lives now have a treasury inside of their lives; the greatest gift of our faith in God and the willingness to help others.

Today, we have several children in our Parish who are willing to attend a Catholic School. If you are able, and willing to support students to attend Catholic Schools feel free to contact me at your earliest time. Thank you.

## WATCH YOUR POSTURE

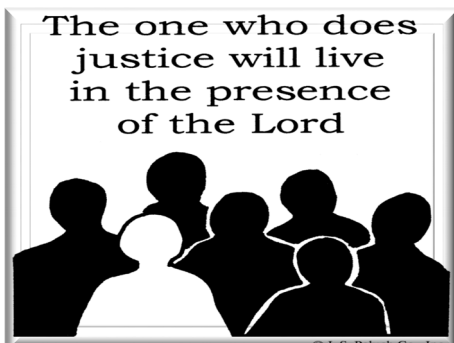

Our posture is often a tip-off to our hospitality and reverence for the Lord. Note the actions of Abraham as he greeted the Lord in the presence of three men who appeared near his tent. He ran from the entrance of the tent to greet them. He bowed to the ground as he met them. He and Sarah, his wife, hastened to prepare a meal and bring food and water to their guests.

In the Gospel story, Jesus' friend Mary sat at his feet in order to listen to him speak.

How do we welcome and reverence the Lord? What do our actions show? Do we remember the Lord's presence in the Blessed Sacrament? How do we welcome the Lord in the scripture readings? How do we acknowledge his presence in our brothers and sisters, both at Mass and afterwards?

Whether we kneel, stand, or sit in the Lord's presence, may our hearts and minds always be attuned to him.
